**Optional Automatic Payment Feature**

Borrowers understand that automatic payments are not required to have this Account. By signing in this box, Borrowers authorize the Lender to deduct each Minimum Payment from the account identified below until further notice. An amount equal to the Minimum Monthly Payment shown on the periodic statement will be deducted on the due date. Until the Lender is instructed to stop the automatic payment feature, the Minimum Payment will be deducted each month even if other payments are made directly to the Lender. If there are not funds in the account on the due date in an amount equal to or greater than the Minimum Monthly Payment, no automatic payments will be deducted for that billing cycle; however, in such event the Lender shall have the option to deduct the Minimum Monthly Payment at any time should sufficient funds become available in the account. Borrowers may notify the Lender in writing to stop the automatic payment feature. No further automatic payments will be taken after the date such notice is received by the Lender.
